AIA Ohio Announces Green Home Competition for Interns

AIA Ohio's Committee on the Environment is pleased to sponsor the Affordable Green Home Design Competition!

The goal of the competition is to provide designs that can benefit Habitat for Humanity affiliates throughout the state of Ohio by creating affordable green home models.

Categories include Rural, Suburban, & Urban. Winning entries will be chosen for their flexibility, efficiency, aesthetics, and response to budget.

Eligibility – Design professionals who:

- Have graduated from a school of architecture
- Have been out of school 10 years or less

Registration open:

- June 19 – July 31, 2009

Prizes:

- Award presentation at the 2009 AIA Ohio Valley Region Convention in October
- Cash prizes
- Recognition on the AIA Ohio website
- Winning entries constructed by Habitat for Humanity
